The MV-18A Affidavit must be completed and submitted with:

1. MV-1 title application. Application can be electronically completed and printed, typed, or legibly hand-printed in blue or black ink. The title application must be signed by the vehicle owner(s).
2. Original Georgia Title unless the original title has been lost or stolen.
3. No fee is required when the title is to be issued in the same name(s) as the original title. If there is a transfer of ownership, the \$18.00 title application fee must be paid. If it has been more than 90 days since the date of transfer, the \$18.00 title application fee and \$10.00 penalty fee must be paid.
4. Based on the type of correction request, the following additional documents are required:

To arrange for any inspection, you must complete form T-22R. This form, the MV-18A affidavit, title application, title, any other required documentation and a check or money order for the inspection for \$50.00 made payable to the Department of Motor Vehicle Safety must be mailed to: ATTN: Salvage, Motor Vehicle Services, PO Box 740381, Atlanta, Georgia 30374-0381.
 - c) The MV-18A Affidavit can not be used to change an odometer reading or to remove an odometer discrepancy brand/legend. To remove an odometer discrepancy brand/legend or change an odometer reading, Form T-107 (Odometer Discrepancy Affidavit) must be submitted with an MV-1 title application and title. More than one T-107 Form is required if the discrepancy occurred several owners back or if a determination can not be made as to when the discrepancy occurred.
5. Any other available documents that will support the correction request.
